Camperships and Financial Assistance programs have been established to make Camp Pendola more accessible to families of limited financial means. We are faithful to the premise that families applying for scholarship funding are in need of registration fee assistance. Please help us honor the wishes of our donors with honorable participation. To allow as many children from different families as possible, we ask that you contribute as much as you can toward the week for your child.

An application form must be completed and submitted by mail, email (scanned copy) or fax for consideration.

Financial Assistance is awarded up to a maximum of \$100 per child. Requests will not be reviewed unless a completed camper registration form and \$150 deposit are submitted on-line or by mail prior to or with the scholarship request application.

1. Registration deposit is refundable in the event that a \$100 scholarship is not awarded.
2. Applications will be reviewed in the order of receipt beginning February 15th. Thereafter and until the last session of camp begins, applications will be considered upon receipt as funding allows.
3. Applicants are eligible for Early Bird, Multi child and Recruit a New Camper Discounts if eligible.

Campership requests will not be reviewed unless a completed camper registration form, a \$150 per camper deposit and a copy of the latest Federal 1040 tax form are submitted on-line or by mail prior to or with this scholarship request application.

1. Registration deposit is refundable in the event that a scholarship is not awarded.
2. Applications will be reviewed in the order of receipt beginning January 15th. Thereafter and until the last session of camp begins, applications will be considered upon receipt as funding allows.
3. With the exception of the Early Bird Discount, scholarships cannot be combined with any other discounts or financial assistance programs.
4. Camperships are generally awarded for up to 60% of the session fee. (In 2017 \$550 x 60% = \$330 maximum award amount with the family responsibility of \$220 per camper) Camperships covering more than 60% of the registration fee are occasionally awarded based upon funding availability and the discretion of the Camp Director.
5. The criteria for awards are based on a combination of household income, number in the household, and eligibility for free or reduced lunch programs.
6. Campership awards do not include the cost of transportation, or items from the Treasure Shack, the onsite camp store.

Camp Pendola is an equal opportunity provider of summer camp programs. Awards are made without regard to race, color, national origin, sex, religion, disability or other legally protected status.

If a scholarship recipient must cancel, his/her scholarship cannot be applied to another camper's tuition.

Award notification: If a camper's application cannot be awarded as requested, the family will be notified within one week of review. Awards that are granted as requested, will be indicated on the statement that is mailed with the confirmation packet.

Respectfully, you child's application will not be considered unless stated request procedures are followed.
